MARKET RESEARCH & CONSUMER INSIGHTS | BRAND STRATEGY

PROFESSIONAL SUMMARY

Market research and brand strategy professional with 3+ years of experience in consumer insights, market analysis and strategic marketing communications across real estate, fashion and beauty retail. Skilled in interpreting consumer behaviour, identifying market opportunities and translating research findings into commercially relevant strategies that strengthen brand positioning, drive customer acquisition and support business growth.

CORE COMPETENCIES

Consumer & Market Research | Consumer Behaviour Analysis | Audience Segmentation | Market Opportunity Identification | Brand Positioning & Differentiation | Strategic Marketing Communications | Campaign Strategy | Creative Direction | Client Acquisition & Engagement | Campaign Performance Evaluation

PROFESSIONAL EXPERIENCE

Consumer Marketing Executive | Shell Beauty **Sep 2026 – Present**

Multi-Brand Beauty & Fashion Retail | Lagos, Nigeria (Remote)

- Develop consumer-focused marketing campaigns for a multi-brand beauty and fashion retailer, contributing to 138,295 cumulative views across social media platforms through targeted promotional content.
- Analyse customer enquiries, purchasing preferences and engagement trends to identify consumer interests, emerging product demand and opportunities for targeted marketing.
- Develop product positioning strategies and promotional communications to increase brand visibility, stimulate customer enquiries and support retail sales.
- Evaluate audience behaviour and campaign performance to refine marketing strategies, optimise promotional messaging and improve consumer engagement.

Brand Content Strategist | Twentiies **Feb 2025 – Jun 2026**

Contemporary Fashion & Apparel | Kigali, Rwanda (Remote)

- Researched consumer preferences, purchasing behaviour and market characteristics to inform culturally relevant brand communications supporting a Nigerian fashion brand’s expansion into Kigali.
- Developed audience-focused content strategies and targeted marketing initiatives, contributing to a portfolio of 406 distinct clients within one year.
- Conceptualised and directed the Kwibuka 32 Remembrance Communication Campaign (April 2026), integrating cultural insights into brand storytelling and audience engagement.
- Analysed customer feedback, purchasing enquiries and campaign performance to refine communication strategies, strengthen market positioning and improve customer relationships.

Market Research Associate | Galaxy Jay Realty **Jan 2023 – Jan 2025**
Real Estate | Lagos, Nigeria

- Conducted primary market research involving 152 civil servants across Lagos, examining housing affordability, mortgage awareness and purchasing behaviour to identify underserved market segments.
- Analysed survey responses, buyer enquiries and property inspection feedback, identifying limited mortgage financing awareness among approximately 45.5% of respondents, alongside affordability and location concerns.
- Developed research-informed recommendations for audience segmentation, property positioning and communication of mortgage financing and flexible payment options to prospective buyers.
- Translated consumer research findings into actionable market intelligence that informed customer targeting, marketing communications and commercial decisions, contributing to property transactions across Lagos and Ogun State.
